

Camera Angles

Look at the still from the movie. Which camera angle has the director used? Why do you think they have chosen this shot?

Extreme close up because you have to show his feelings. ✓

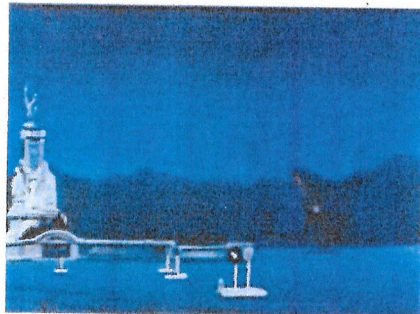

low angle because you need to see what he is holding ✓

Medium shot because you have to know what he is doing. ✓

Birds-eye view because you need to see how tall the BFG is ✓

long shot because you need have to show where he is. ✓

Extreme close up because you need to see how she is feeling about the taste. ✓

⊕ Excellent understanding of camera angles. 12/11/15
