

Irregular tense changes

Below is a phone conversation a little girl had with her grandmother. She has made some mistakes with her past tense verbs. Write out the conversation, correcting the mistakes.

Hello Granny!

Guess what I did today. I wented to the park and I seed some ducks. I gived them some food. Then I runned towards a duck but I falled over and hurted my knee. I beganned to cry. Then Dad telled me not to cry and he holded out a piece of bread and a big swan comed over and eated it from Dad's hand. So I throwed the rest of the bread to the swan and we came home.

Bye Granny!
