

## 9.15am-10.00am In your child's classroom

All parents from Reception to Year 4 are invited to a presentation to share the school's new approach to assessing children's progress and to inform you about how we mark children's work and how children are given the opportunity to respond to feedback.

After the Introduction of the new national curriculum in September where expectations for all primary aged children have been raised, it is important that we share with you how your children will be assessed against these new standards.

We are very confident and proud of our in school assessment system, which has been praised by the Local Authority. We are looking forward to sharing it with you. Our children, we know will enjoy showing you their work and explaining the marking symbols and how they have improved their work as a result.

If you are unable to join us for the morning you will be able to see the presentation on Thursday 22 January at 6.00pm before the Parents' Forum at 6.30pm.

Please will you check that your child's PE pumps/trainers still fit your child ready for the new term.

Thank You!

Albion Foundation Football will continue on Monday 12 January. Letters are available from the school office, if you wish your child to participate.

## Merry Christmas

Thank you so much for the money raised from your kind donations at the Christmas performances for a charity that helps the homeless. We raised a fantastic £607.30. The children were wonderful in their Christmas performances this year. A big thank you also goes to all the staff who have put so much time and effort into making the Christmas Concerts such a success. Have a Merry Christmas and enjoy the holiday. We look forward to seeing the children again when school starts on Tuesday 6 January.
