

CARING, SHARING, LEARNING TOGETHER

Chawson's Monthly Newsletter Supplement

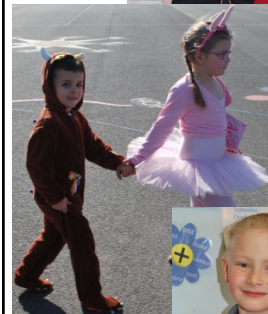

Firstly, we'd like to apologise for the lack of a February edition of Caring, Sharing and Learning together. As many of you know, Ofsted visited our school on the last week of February, which delayed our publication. We are thrilled with the outcome of the inspection and would urge each and everyone of you to read the report from

cover to cover. We are very proud of our school... and VERY VERY proud of our children.

Edition 5 March 2015

World Book Day

We hope you enjoyed World Book Day as much as we did. Thank you for all the parents who supported this special day, either by coming along to the afternoon or by providing the most amazing costumes. We think this was our favourite ever year yet!

Solar Eclipse!!

The children got a special chance to view the solar eclipse on Friday 20th. We bought safety glasses which allowed the children to view the eclipse first-hand. It was a truly amazing sight and the excitement ran round the whole school. Even the teachers wore the fetching eyewear!

Ground Force

An elite and specialist team (anyone tempted by a hot chocolate and a hotdog!!) assembled at Chawson First School on a sunny Saturday morning. Their aim- dig, weed, REPEAT. The team, led by Mrs Thornton, completely remodelled the old vegetable patch and planted 20 new trees that will one day extend the forest area and link it with the Year 1 bootcamp. Thank you to all those who came along to help. We had so much fun and hope you did too.

The Year 2 and 3 football girls really enjoyed their trip to see Coventry City Ladies Football Club play in the 5th round of the FA Cup. Unfortunately CCLFC lost the game but the girls had the chance to meet the players, be mascots for the day and play a game on the pitch!
