What learning looks like in our school.*

Catering Staff of the Year award for Sandfield Close lunchtime team

We are delighted that our amazing lunchtime team have been named as **Catering Staff of the Year 2016** in the Leicester Mercury School Awards. The result was announced last night at a special celebration dinner in the City Rooms.

We already knew just how amazing our lunchtime team are, so it is great to know that their commitment to making lunchtimes

special has been recognised in this way. In addition to the beautiful certificate, our team received a cheque for £250 for the school. The money will be spent on making our lunchtimes special. We will let you know how the lunchtime team decide to spend the money after the summer.

Jody and our catering team cook and serve more than 280 meals every day with the menus being prepared and cooked in our school kitchen. If you would like your child to switch to school meals next term, please let the school office know.

More sporting success for Sandfield teams...

On Thursday two teams represented Sandfield Close at the Leicestershire and Rutland School Games. Our hockey and cricket teams competed against teams from schools in Leicester, Leicestershire and Rutland and both won bronze medals. Thank you to the children who represented our school, to Mrs Barnes for her tireless enthusiasm for raising the profile of sport in our school and to the parents who accompanied our teams to the event and cheered them on throughout the day.

The Potato Bus arrives at Sandfield Close

If you have been to school this week you will probably have seen the Amazing Potato Factory in the school car park. Children have been visiting the bus to learn about how potatoes are grown. They have also had the opportunity to taste some delicious freshly baked wedges. The bus will be at Sandfield Close again next week.

Rushey Mead Fun Day

It was great to see so many of our families at school on Sunday at the Rushey Mead Fun Day. The event was a great success and everyone seemed to be having a good time. Our Year 6 entrepreneurs had an opportunity to try their business skills. Paul Gobey from Leicester Libraries was telling stories and promoting the Big Friendly Read summer reading challenge. Our neighbourhood policing team gave children an opportunity to check out the inside of a police car. The NHS were also on site raising awareness of diabetes and organ donation and BBC cameras were present filming.

Thank you to our tireless PTA for all the hours of work that went into making the event possible. Look out for an invitation to get involved with the PTA when school starts again after the summer.

Sandfield Close @SandfieldClose · Jun 26

Thank you to @NHSOrganDonor for raising awareness of important health issues @SandfieldClose Fun Day today.
