*This week's news from Sandfield Close.
What learning looks like in our school.*

Next week is International Sports Week at Sandfield Close.

A week of sport and physical activity with an international focus.

All children should come to school wearing outdoor PE kit ie tracksuit and trainers for the whole week. We are planning a range of different activities and are hoping to get outside every day. Clearly the weather is a challenge at the moment.!

Each year group will focus on a different country to support children's global awareness. We are proud to have held the International School Award since 2009. We have recently been confirmed as a Global Learning Expert Centre and are looking forward to promoting global learning in other schools.

Our Sports Days are scheduled for Monday 20th June starting at 9.00am. Parents are welcome to join us as spectators.

As these events take place outside we are reliant on the weather. If it rains events may have to be postponed at short notice.

Year 3 Go Run For Fun at Soar Valley

On Wednesday Year 3 braved the rain to take part in the Go Run For Fun event at Soar Valley. A thousand children in bright pink t-shirts ran around the college grounds as part of the annual event which aims to promote physical activity and regular exercise as part of a healthy lifestyle.

Thank you to everyone who helped make the event a success.

Year 6 support the Warning Zone at their last ever Coffee Morning at Sandfield Close

This morning our Year 6 children were delighted to welcome their parents to their final Coffee Morning. The Warning Zone was their chosen charity and Year 6 raised £66.93. Everyone enjoyed the tasty treats prepared by Year 6 and it was a great opportunity to chat and catch up on all the news. Thank you to everyone who helped make things run smoothly.

A great Year 6 Leavers' Party last weekend. Thank you PTA!

Last Friday our Year 6 children and their families attended an evening event to celebrate their time at Sandfield Close. Certificates were presented to all the children. The food was delicious and the DJ kept the party going. Thank you to Barclays Bank who supported the event, promoting the raffle and providing generous matched funding. We are very fortunate at Sandfield Close to have a dedicated PTA who work tirelessly to organise great events for our children and families.

Sandfield Close winners in national competition

We were thrilled to learn that our school has won the British Gas Generation Green competition which will provide the school with up to £50,000 of energy saving improvements. We are looking forward to finding out more about how we can make our school buildings more environmentally friendly and energy efficient. We will let you know what happens next.

Competition winners announced!

Congratulations to Sandfield Close Primary School in Leicester, Meryfield Community Primary School in Hertfordshire, and the West Kilbride Primary School in Ayrshire who've each won up to £50,000 in energy-saving measures – reducing their carbon footprint and making them more energy-efficient.

Well done to everyone who entered the Energy Savers Competition, in which pupils designed a poster with useful hints and tips on how to save energy – and money! The judges were really impressed with all the fantastic entries.

Keep your eye out for our next competition launching soon via our website.

Queen's Birthday picnic Friday 10th June

We celebrated the Queen's 90th birthday last week with a picnic for the whole school. The weather was kind and we all enjoyed our lunch outside. The school kitchen provided hundreds of picnic lunches. We all dressed in red, white and blue and enjoyed wearing our home-made crowns.

Lunch menu from 20th June

Monday	Tuesday	Wednesday	Thursday	Friday
