## This week's news from Sandfield Close.

### A new look website for Sandfield Close

Our new website has now been live for 24 hours. Our team of young digital leaders will be working to keep the content up-to-date and to provide support to other children and staff. We will be updating the website over the next two weeks. Some of the links are not yet active. Please be patient while we add information. If there is anything you would like to see added, please let us know.

### Problems with ParentMail

ParentMail upgraded their systems during the holiday and some parents have not been receiving texts and e-mails this term. If you have any problems or queries relating to ParentMail please speak to Mrs Taylor in the school office.

We will be e-mailing year group presentations and curriculum information next week. Please make sure you have registered your current e-mail address with ParentMail.

A promotional graphic for ParentMail + Pay. At the top, a cartoon character with a megaphone says "ATTENTION All Parents!". Below this is the ParentMail + Pay logo. The main text asks "Have you registered?". It lists benefits: "It's an easy, convenient way to receive school messages" and "ParentMail is great for parents because: We can communicate to you by email and/or text, Messages will get to you reliably, Mums and dads can both be included". Icons for Email, Calendar, and SMS/Text are shown. At the bottom, it says "Registering is really easy... Ask the school office for a registration letter" and "Download the FREE ParentMail App" next to a smartphone image.

## Cinema trips in November

We have managed to book free cinema tickets to take all the children to the cinema again this year. The special showings are part the Into Film Youth Film Festival in November. Details will be sent home soon.

## Help us promote healthy eating

We are working to educate our children about healthy eating. If your child has packed lunches please pack healthy options and do not send sweets or chocolate.

If your child is attending one of our afterschool clubs, please do not send drinks, sweets or snacks for your child. We will always provide drinking water. If you wish to do so, you are welcome to send a piece of fruit.

Thank you for helping us keep Sandfield Close healthy.
