

Enter our Website Banner Competition

We need a colourful banner for our new school website.

Home page of our school website

It needs to be colourful and include the things that we are really good at and make our school special.

Winning Banners will be used on the live website.

What to do next

Think about your design and what it will include.

You may like to try a few draft copies first.

Fold a piece of A4 paper in half length-ways.

Draw or paint your design to fit the whole width of the paper. Leave some space at the top and bottom of the paper (about 1cm each). In the rectangle above, the grey area shows where you should put your design.

You can use pens, pencils, crayons, felt pens, paint, in fact any type of art materials you want. The design **MUST** include the school name.

Complete the entry form below and return to school in an envelope with your design **BY Tuesday October 27th**

Please write your name and class on the back of your banner.

Website Banner Competition – Closing Date **TUESDAY OCTOBER 27th**

Name _____

Class _____
