Governors

Would you like to be a School Governor? The Governors are looking to recruit three new Co-opted Governors. These posts are not elected posts, as the successful candidates will be chosen by the Governors themselves. We are looking for people who would like to spend time in school, supporting the Governors to get a good feel for the work we do and helping to evaluate improvements made. Skills in finance or marketing may be very helpful. However you may be a parent at the school or simply someone who has an interest in school life. If you have a love of children and an interest in supporting the developments of the school, please contact the school office. Thank you.
