Giving children roots to grow and wings to fly

Dear Parents and Carers,

Please find below daily activities to complete with your children this week. We hope you are all well and keeping safe.

Best wishes Ms Brocklebank, Miss Collins and Mrs Harris.

 Week Beginning: 22 nd June 2020 Sports day week					
	Phonics	Maths	Spellings	Science	Literacy
<p><u>YEAR 1:</u></p> <p>How to say the sounds: https://www.youtube.com/watch?v=TkXcabDUg7Q</p> <p>Useful website links Literacy and maths activities lessons: https://home.oxfordowl.co.uk/?s=activity&fwp_post_types=activities&fwp_age_categories=age-5-6</p>	<p>Practise your RWI speedy sounds and make some words which have these special friends.</p> <p>Select different 5 sounds we have sent over the last weeks to revise so you become confident in recognising them. How speedy can you say them?</p>	<p>Online ordinal numbers activity You can choose to do either mild, spicy or hot to follow up. You could do all three! Extra mild Spicy Hot</p> <p>Think about your family sports day and how you can measure events in distance. Decide what you are going to use to mark out the race distance. You could use 10 giant steps as the length, or 50 pigeon steps? For each race think about the finishing positions. Who was 1st, 2nd, 3rd, 4th?</p>	<p>Cheese Chat Child Chop Church Blue Blow Blush Bless Blaze</p>	<p>Exercise video</p> <p>How does the body change when you exercise?</p> <p>All about exercise</p> <p>Can you draw and label why exercise is important? You could make a poster about this.</p>	<p><u>Oracy</u></p> <p>Can you explain the instructions on how to do your obstacle course? You could video this and upload it to Hwb.</p> <p><u>Reading</u> Peppa Pig's sports day</p> <p>Sports day reading questions</p>
<p><u>YEAR 2:</u></p>	<p>Practise your RWI speedy</p>	<p>Measuring with a ruler</p>	<p>Can you learn to read and</p>	<p>Exercise video</p>	<p><u>Oracy</u></p>

<p>How to say the sounds. https://www.youtube.com/watch?v=TkXcabDUg7Q</p> <p><i>Useful website links</i> <i>Literacy and maths activities lessons:</i></p> <p>https://home.oxfordowl.co.uk/?s=activity&fwpost_types=activities&fwpost_age_categories=age-6-7</p>	<p>sounds and make some words.</p> <p>Select 5 of the sounds we have sent over the last weeks to revise so you become confident recognising them. How speedy can you say them?</p>	<p>This video explains how millimetres, centimetres and kilometres are used. The spelling of the units is wrong unfortunately as it's American. Units of measurement</p> <p>Can you complete some of these measuring challenges at home? Measuring length challenges</p> <p>Think about your family sports day and how you can measure events in distance and time.</p> <p>If you have a tape measure at home mark out the distance for your races in metres or centimetres. Put down markers - these could be skipping ropes or small objects from the house. Use a phone or ipad as a stopwatch to see how many seconds the winner of each race takes.</p>	<p>spell these words?</p> <p>August September October November December</p>	<p>Can you choose the right answers on this quiz?</p> <p>Quiz</p> <p>How does the body change when you exercise? Can you write and illustrate this? It could be a poster or a spider diagram.</p> <p>spider diagram</p>	<p>Can you explain the instructions on how to do your obstacle course? You could video this and upload it to Hwb.</p> <p>Writing Can you write an event diary of your sports day?</p> <p>Reading The Olympics</p> <p>Read the information book online then answer these questions. Olympics reading comprehension</p>

Giving children roots to grow and wings to fly

Daily maths practise Year 1 and 2

5 min daily.

*Count forward and back to 100 and beyond

*Count forward and back from different starting point eg count from 33, to 55 count back from 69 to 52

*Recite the 2x table and 5x table (YR2)

*count in steps of 2's,5's and 10's (yr1)

Use this website for daily maths practice against the clock.

<https://www.topmarks.co.uk/maths-games/daily10>

Exercise Year 1 /2

Hold a family sports day in your garden or local park.

You need to decide on the races, but one should be an obstacle race.

Can you design your own obstacle course using objects you have around the house? Try to include things you can jump over, crawl under and run around.

Creative challenge Year 1 and 2

Can you make a 3D trophy to present to the winner?

Think about what materials you could use.

Paper Mache, tin foil, junk modelling or construction kits?

Technology Year 1 and 2

Can you research and find out facts about a famous British Olympic athlete?

Use the internet with an adult's help. Don't forget to use a child friendly search engine.

Here are some

<https://www.kiddle.co/>

<https://swiggle.org.uk/>

<https://www.safesearchkids.com/>

You could write out your facts and draw a picture, or upload a photo of them into Hwb and write your facts using Jit5 Mix.
