## Annual Governors' Report

ADRODDIAD Y LLYWODRAETHWYR

## For the academic year 2020/2021

AM Y FLWYDDYN ACADEMAIDD 2020/2021

Each year the Governors present a report to you, the parents, to give a summary of important information relating to the school for the last school year, **ending July 2021**

Please note, unless stated otherwise, this report relates to the academic year **1<sup>st</sup> September 2020 - 31<sup>st</sup> August 2021**

As Covid19 continued to be present in our communities the school year 2020 – 2021 remained challenging and unpredictable. In presenting this report to parents and carers, the governing body would like to extend their thanks to all teaching staff in continuing to provide a positive learning experience for their pupils through a blended learning approach. We all have needed to continue to adapt and we thank all parents and carers who supported the children with distance learning. The welfare of pupils continued to be paramount to all teaching staff and they kept up with procedures in which to “check in” with pupils, their families and carers to ensure they were managing/coping with the situation.

Thank you for your continuing support.  
Forden School Governing Body

DUE TO COVID\_19 THERE ARE ELEMENTS OF THE SCHOOL YEAR THAT DID NOT GO AHEAD. TRIPS AND VISITS WERE CANCELLED, COMMUNITY INTERACTION WAS HALTED AND STANDARDISED TESTS NOT COMPLETED. THEREFORE, THIS REPORT MAY BE MORE CONDENSED THAN IN PREVIOUS YEARS.

## Target Setting & School Development Plan

### Target setting

Due to the impact of COVID-19 on pupils' education, this element is not included in this year's Governors' report.

### School Development Plan 2020/2021

Every year we focus on teaching and learning in specific areas of the curriculum with the aim of raising standards. We also look at other areas of school life such as ethos and leadership and management.

In 2020/21 in light of Covid19 and school closures we focused on:

Supporting and developing pupils confidence and resilience.

Raising the standard of effective independent learning in all pupils.

Increasing the understanding, implementation and evaluation of blended learning.

Further develop shared leadership in the development of the school curriculum.

## School Performance

At the end of the Foundation Phase (end of Year 2) and at the end of Key Stage 2 (Year 6) children are rigorously assessed by their teacher and awarded a National Curriculum outcome in the Foundation Phase or National Curriculum level in Key Stage 2.

Year 2 children are assessed in Language, Literacy and Communication (LLC), Mathematical Development (MD) and Personal and Social Development, Well-being and Cultural Diversity (PSD). All 3 areas count towards the Core Subject Indicator (CSI).

Year 6 children are assessed in English, Maths, Science and Welsh (as a second language). English, Maths and Science count towards the Core Subject Indicator (CSI).

A typical Year 2 child will probably be at Outcome 5. Outcome 6 is an exceptionally good result. A typical Year 6 child will probably be at Level 4 - so a Level 5 is an exceptionally good result.

Due to the suspension of end of stage teacher assessments and Welsh National Tests, there are no result for the school year 2019/2020

## Attendance Information

Our School target for attendance **2019/2020 was 96.3%**. This target was suspended due to national school closures. Attendance figures are not available for the academic year 2020-21.

The school follows the Powys Traffic Lights Attendance Scheme. All parents are notified of their child's attendance each term. When a pupil's attendance falls below 95%, parents receive a letter to emphasise the importance of attendance at school. If a pupil's attendance falls below 90% the

Headteacher meets with the parents. In instances of continued poor attendance, including persistent lateness, the Educational Welfare Officer is notified.

## Finance Report

The budget is managed by a Governor Finance sub-committee and agreed by the full Governing Body.

## Class Organisation and Curriculum

### Class Organisation

In the school year 2020/21, children were grouped and taught in 3 classes by age. Classes were organised as Dosbarth Bedwen (Reception and Year 1) taught by Mrs Davies, Dosbarth Collen (Years 2 and 3) taught by Mrs Moseley and Dosbarth Ysgawen (Years 4, 5 & 6) taught by Mrs Haine and Mrs Fowler.

Children working at a higher level than their peers in specific areas may also work with older children. ALN provision is in class or by 1:1 or small group withdrawal.

### Curriculum

Our curriculum is designed to be broad, balanced and relevant and to meet the needs of all children whatever their ability. The curriculum meets statutory requirements.

### **Aims**

The primary aims of the academic curriculum are to develop:

- skills of Literacy, Numeracy and Thinking
- scientific skills
- ICT skills
- the ability to communicate in Welsh
- an understanding of the geographical, historical and social aspects of the local and wider environment
- an awareness and appreciation of the national heritage and culture
- an understanding and appreciation of Christian beliefs and their importance in shaping our society

- an awareness and appreciation of other times, places, cultures, religions and races
- enjoyment of, and participation in, the arts
- physical and mental abilities and an awareness of the importance of a healthy lifestyle

## Language

English is the main language spoken at school. All subjects are taught through the medium of English, except specific Welsh lessons. Incidental Welsh is used throughout the school. Delivery of Welsh lessons is planned across the school in liaison with the Athrawes Bro and is delivered using the Powys scheme of work. This includes focussed Welsh lessons and daily practice.

Attainment at the end of KS2 in oracy, reading and writing in Welsh is passed to the receiving high school.

## Sporting Activities

In addition to timetabled sports and PE lessons all children take part in a short period of daily exercise.

Extra-curricular sporting clubs available were: netball.

Children are encouraged to bring their own water bottle into school and are encouraged to drink water throughout the day.

## Friends of Forden

The 'Friends' do a fantastic job raising money to make possible lots of things that happen in school.

Recently we have supported the school to purchase IT equipment which was essential during the pandemic, and contributed to the end of term events and year 6 trip.
