

Newsletters & School Website

Class 4 have been reviewing and evaluating the information sent out to parents in the newsletter, and to the wider community through our school website. They have decided that a number of changes should be made to ensure both means of communication are more engaging.

The biggest criticism is the lack of photographs compared to other schools' notices and websites and it was decided that, in the first instance, photographs would be added to the weekly newsletter, which is then uploaded to the website (under News). In line with the parental permissions given at the start of the year, these would be as a group photograph with no individual names.

Visit to Theatr Hafren – One Small Step

Pupils in Years 2 to 6 enjoyed a musical morning at Theatr Hafren with Sinfonia Cymru exploring the theme of space.

They especially enjoyed the warm-up echoing the tunes sung by the narrator and singing a song with everyone in the audience.
