

Home time

Could all parents who wish to use the park after school please wait until all classes have been dismissed and all children have been collected. It is becoming increasingly difficult to monitor the safe collection of all pupils when parents are coming in through the gate or pupils are going directly to parents at the park. Your cooperation in this would be appreciated. Thank you.

Breakfast Club

With effect from Monday 1st April, the cost of attending Breakfast Club will increase to £2 per pupil per day.

Cross-Country

Congratulations to all pupils who competed this morning in the area cross-country competition. You all tried your best and were excellent ambassadors for the school.

E Safety

Did you know?

Gaming platforms can be used by adults seeking to harm young people.

Children can become a little less guarded when considering who they talk to and what they share when playing games. Some offenders seek to exploit this and encourage children to chat with the aim of building a relationship with them.

Offenders use gifts in gaming to encourage children to trust them. They may offer gifts asking for nothing in return, this can be part of the grooming process and can help to build a close relationship with a young person. Others may try to use gifts as 'leverage' to persuade young people to do something such as moving to a different online platform, going on webcam or taking a photo of themselves.
