Teddy Thank you

Following our Christmas Fair last year we had a large number of teddies left. These were donated to the RNLI who use them to raise funds. As a thank you, we have been gifted a beautiful photograph which is now in the library. We are keen to keep up this charity link and will happily accept any good quality, unwanted teddies and soft toys to pass on to them.

Old School Uniform

Constructiv Clothing in Welshpool have organised a link with LightForce international:

“LightForce International is a Milton Keynes based charity committed to taking good news to the poor and practical help to those in need. We have been working in Lira, Northern Uganda, for the past 14 years where we have built a Nursery & Primary School as well as a home for vulnerable children and a Vocational Training School. Through the generosity of schools and businesses donating school uniforms, we are able to relieve the burden of paying for these from families who struggle to provide for their children's needs on a daily basis.”
