Lexia

Well done to Faye, Ben, Arthur, Bradley, Alistair, Harvey, Tommy, Seth K, Olivia, Lucy, Izzy, Harriet and Evan for completing a level on Lexia.

If your child is unable to log in at home, please speak to their teacher.

Attendance

Congratulations to Year 3 and Year 5, this week's winners of Attendance Ted, both year groups with 100% attendance.

Parents Evening

Teaching staff will be available on Wednesday 13th and Wednesday 20th February to discuss your child's progress. Letters will follow next week to allow appointments to be made on the evening of your choice. If you are unable to make either date, please see your child's teacher to arrange an alternative appointment. Both parents of a child are welcome to attend and can be seen separately if requested.

Adverse Weather

On snowy/frosty/icy mornings safe routes into school will be cleared/gritted by staff. These are from the Community Centre into the junior cloakroom and from the top gate into the mobile, infant classroom and library. **Please note, the playground will not be gritted before the start of the school day.** If there is a heavy snowfall then any assistance to clear snow would be appreciated.

Please ensure your child has a coat and hat. When safe to do so, children will be allowed to play outside in the snow if they have a change of footwear and socks. If your child wishes to stay indoors then this is also permitted.

Closure in the case of inclement weather

If the decision is taken to close the school in line with the school and Powys policies, this information will be posted on the Powys website (www.powys.gov.uk). If possible an email will be sent to all parents who have opted to receive communications by this method. For those of you who have signed up to the Powys text message service you will receive an automated text informing you of the school closure. If you haven't done this already, and wish to sign up to texts, you will need to create an account on the Powys website www.powys.gov.uk and then follow instructions about signing up to the text message service.
