Congratulations to Callum for completing a level on Lexia.

Lexia is available to all pupils from Year 1 to Year 6 and in the juniors, forms part of their homework. When your child logs in the screen shows the target number of minutes for the week and how many activities have been completed during the week.

If your child is unable to log in at home, please speak to their teacher.

## **Spacecraft Models**

As part of their theme on Space, Class 3 will be designing and building models of spacecraft. Please send in suitable recyclable materials that could be used (small boxes, unusually shaped plastic bottles/containers, egg boxes, etc.)

## **Indoor Athletics**

Please note the date for the Indoor Athletics for all pupils in Years 5&6 is on this Tuesday 22<sup>nd</sup> Jan (not Thursday). The bus will leave school after registration and will return before the end of the day. Pupils can come to school in their PE kit and will need a packed lunch, drinks and snacks. Payments for transport can be made through ParentPay.

## **Friends of Forden PTA**

Friends of Forden has always been a thriving PTA. Parents and carers of all children attending Forden School are automatically members and are encouraged to attend meetings and give their input and ideas. The funds they raise directly benefit all children in school. In the last year they have funded transport for many trips and visits, classroom equipment, shelters within our outdoor learning areas and our leavers' trip to Aberdovey.

Alongside fundraising events, they also look after the School Lottery and Easy Fundraising, both of which provide a monthly income to Friends of Forden. The support of all parents is really important so that the group can thrive and continue to raise much needed funds for the school.

At present, there isn't a committee to run the group and this is not compliant with national PTA rules. There will be an extraordinary AGM meeting in the Community Centre at 2:45 next Tuesday (29<sup>th</sup> Jan) open to all parents to meet and agree a way

forward. It cannot be stressed enough the importance of a PTA in supporting a school. Your attendance and input at this meeting is invaluable. Thank you.
