Thank you

At the end of this half term I must thank you all for the time and effort you have given to support and encourage your child to access and complete schoolwork. I am aware how difficult it has been and how every family's circumstances are different. Thank you also for the positive feedback we have received both through j2message and emails. We are looking forward to seeing all the Foundation Phase back in school from the 23rd and await the next announcement (due on 19th February).

Thank you for your continued support.
