

## FORDEN SCHOOL NEWS

Friday 11<sup>th</sup> June

### Sports Week

Monday June 21<sup>st</sup> to Thursday June 24<sup>th</sup> will be our sports days. Unfortunately, under current guidance it will not be possible for parents to come and watch. We have increased the number of activities the children will participate in and spread the events over the 4 afternoons. They will need to wear PE kit each day.

If possible, children should wear a t-shirt in the colour of their team. If your child is unsure of their team colour, please ask (at the gate or via email).

### Developing a Whole School Vision

Thank you to the parents/carers who have responded to this already. As key stakeholders in the school, your views are valued in creating a school vision that reflects our school and the community it serves.

If you still wish to respond, the survey is open until next Thursday – please follow the link [School Vision - Parent/Carer consultation](#)

### End of term activities

Please see the diary dates below for details of the end of term activities we have arranged for pupils over the last four weeks of term. Although the trips to the Redwoods and Penycoed involve low numbers of pupils, we will need to use a minibus to transport children as we are unable to car-share under current guidance.

### Criw Cymraeg

Siaradwr yr wythnos yn Dosbarth Bedwen ydy Ethan, yn Collen ydy Demi ac yn Ysgawen ydy Ollie. Llongyfarchiadau i bawb!

### School photos

If you wish to order any photos (individual or class) through the school, please bring the order form in by next Tuesday (15<sup>th</sup> June).

### Lexia

Congratulations to Alistair for completing a level on Lexia. Da iawn i ti.

### School cleaner vacancy

We require a school cleaner from September. If you are interested in this position, or know of someone who may be interested, please contact the school for further details. If you wish to apply for a job share this will also be considered.

### Dogs at the school gate

Please be aware, we have a number of children in school who are very scared of dogs. Please do not stand with dogs at the school gate where other children will need to pass.

### Ongoing possibility of closure

Should the school receive notification of a positive case within a contact group (either adult or pupil), the whole contact group will be contacted by TTP and asked to self-isolate.
