

FORDEN SCHOOL NEWS

Friday 12th March

Return to School

All KS2 pupils will return to school on Monday 15th March.

An information sheet has been sent out with this email with important information with regards to this return.

Please note - The highlighted sections show where changes have been made and are different from the return in September.

Thank you to all parents for the continued understanding and support throughout the many changes over the last 12 months. If there is anything further the school can do to support your child, please ask.

Parents Evening

Our Spring Term Parent Meetings for Foundation Phase pupils will take place on Tuesday 16th and Wednesday 17th March. Parents of Foundation Phase pupils who have requested a meeting should receive an email this evening confirming their appointment day and time.

Meetings for parents of Key stage 2 pupils (Y3-Y6) will be on Tuesday 23rd and Wednesday 24th March.

Further details for KS2 parents will be sent out next week.

Ongoing possibility of closure

The school has implemented a wide range of measures to ensure the school is a Covid-safe environment. This includes increased handwashing and sanitisation, ongoing cleaning schedules throughout the day, staggered playtimes and lunchtimes, the wearing of masks by all adults in school and contact groups being kept as small as possible.

Should the school receive notification of a positive case within a contact group (either adult or pupil), the whole contact group will be contacted by TTP to self-isolate.

Please help keep our pupils back in school by not mixing out of school hours.

Lexia

Congratulations to Seth P. Henry, Joe, Isobel, Gethin, Izzy and Ethan for completing a level on Lexia. Da iawn i chi.

FORDEN TODDLERS & PRE SCHOOL NEEDS YOU!

We urgently need volunteers to take on committee roles such as Chairperson and Secretary. Without a committee, the group is in danger of closing.

Forden Toddlers & Pre school is a registered Charity and run by an elected committee.

Volunteering is an excellent opportunity to meet new people, contribute towards the community, as well as building up your profile of skills on your CV! The great thing is that you don't need any experience to volunteer. Volunteers do not need to be parents of children in the setting, and committee roles can be shared. Full support and guidance will also be provided.

For further information, or to express an interest in any of the roles, please get in touch via the "Forden Toddlers & Pre-School" Facebook page, or contact Susan Yapp (susanyapp1@gmail.com)
