

FORDEN SCHOOL NEWS

Friday 10th September

School Newsletter

Please complete the attached survey regarding school newsletters – [SCHOOL NEWS](#)

Lexia

All pupils from Y2-Y6 should be able to access their account on Lexia. If you are prompted for a teacher's email, please use office@forden.powys.sch.uk.

PE Kit

Although classes have a broad timetable of lessons/activities during the week, there are often times when this needs to change and so your child may not have the same PE days each week. Please ensure your child's PE kit is in school every day.

Clubs

Netball club for pupils in dosbarth Ysgawen will begin next Tuesday after school (3:15-4:00pm). This club will run up to half term. Pupils attending must wear appropriate footwear.

Music Lessons

Theo (drums, guitar, Ukulele, piano) and Mari (woodwind instruments) have spaces if pupils are interested in learning to play a musical instrument. There are options for joint lessons with other pupils. [Further information from Theo](#) / [further information from Mari](#).

Ongoing school response to Covid-19

Please see the attached letter from Powys County Council with the updated guidance on the school's response to positive cases amongst pupils or staff. Due to the pressure on TTP at present, the first notification may be from school and not TTP.

Future dates

Wed 6th Oct Parent/Teacher meetings (via Teams)

Monday 25th – Friday 29th October – HALF TERM

Wed 22nd Dec Break up for Christmas
