Ongoing school response to Covid-19

If your child is identified as a close contact of a Covid case in school, you will receive a Warn & Inform letter from school. This gives advice and guidance on tests and self-isolation.

If your child has any of the 3 main symptoms (persistent cough, high temperature, loss of taste/smell) they **must not** attend school and should get a PCR test (call 01874 612228). They should not return to school until the test result has come through. Tests can also be booked through the Powys Teaching Health Board website at

<https://pthb.nhs.wales/coronavirus/coronavirus-testing/symptoms/>

If your child has other symptoms (runny nose, sore throat, flu-like symptoms) you can still request a PCR test and your child can attend school whilst waiting for the result.

Your co-operation in this is greatly appreciated. **If your child receives a positive PCR test, please contact the school to inform us.**

If you are unsure, please contact the school.
