

Dosbarth Collen visited the Charles Acker Redwoods at Leighton.

Tim from the Royal Forestry Society delivered a Talking Trees workshop.

We searched for information sheets hidden amongst the trees to learn 14 interesting facts about trees.

We learned about the different parts of the tree and about their function (heartwood, bark, roots, branches and leaves.)

We explored the trees using different senses.

We played a game of Tringo (tree bingo).

We searched for and collected minibeasts that live in the wood.
