

Super gerbil

Hello my name is

Tom and I live in pet-o-rama with my brother and my mum. I have a friend called Jack. He is very slow and he is a turtle. I have been waiting for someone to buy me. I have been in pet-o-rama for 1 year. I am 2 Years old and my friend is 1.

In the night I woke up and there was two robbers! Then when I woke I twitched my nose and twitched my tail then I could fly. I escaped when they were coming towards me! I carried my mum and my brother in the cage (there were hooks on it) and I

MARBLES AND MAYHEM!

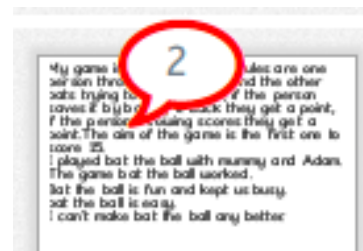

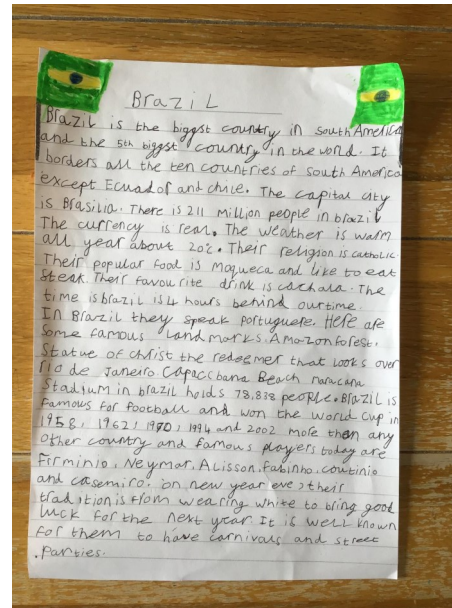

HOW TO PLAY

1. Each player gets 3 marbles each.
2. Roll your marbles from the start and try not to hit the obstacles.
3. Collect points for going past the obstacles
4. Try and score a goal.
5. The person with the most points at the end of the game wins.

Pupils complete work either using JIT tools in J2e or on paper and upload a photo.

Work is marked through a learning conversation and pupils respond

Year 2

Cheetah facts

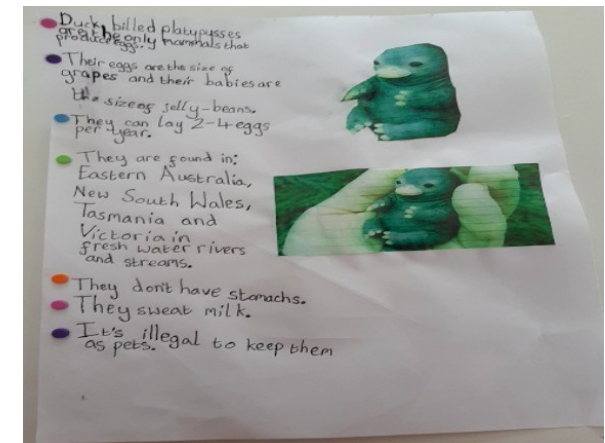

Cheetah's weigh between 69 to 140 pounds and can be 4 feet (1.2 metres) long.

Cheetah's are the fastest land animals in the world!

Cheetah's can run up to 60 miles per hour about in 3 seconds but can go faster.

They can run up to 75 miles (121 kilometres) per hour.

A small population lives in Iran, where they are critically endangered.

My theme is space

Mrs M 29 Apr 8:48

Fab! Any idea what kind of model you will make?

Lilly C 1 May 10:40

I'm going to do a solar system model. I will send a photo when I've finished it
