Days At Grove

We have learned so many things at Grove,
From amazing teachers and exciting trips.
Subjects are fun, like drama and art,
Oh how we'll miss our days at Grove!

***Memories of good times and friends,
Memories of positive years.
Safe, happy and joyful and fun,
Oh, how we'll miss our days at Grove!***

We have learned so many things at Grove,
Friends helping friends, always feeling supportive.
One community playing together,
Oh how we'll miss our days at Grove!

***Memories of good times and friends,
Memories of positive years.
Safe, happy and joyful and fun,
Oh, how we'll miss our days at Grove!***

We have learned so many things at Grove
Nervous for the future, sad to say goodbye
Now moving on to new adventures
Oh how we'll miss our days at Grove!

***Memories of good times and friends,
Memories of positive years.
Safe, happy and joyful and fun,
Oh, how we'll miss our days at Grove!***

***Memories of good times and friends,
Memories of positive years.
