

Year 1 Holiday Project

December 2020

Next half term we will be learning about different countries around the world.

Where in the world have you visited?

Do you have relatives living in other countries?

What is your favourite country?

Choose a country from around the world and create a poster or fact-file about this country. You could find out about what food they eat, what they wear, what the weather is like and what language they speak.

We will be using your work to locate the countries on a map of the world when we are back in class. Take a picture of your work and save it on your J2 Files or complete your work on Jit5.

Make sure your work is completed by Monday 4th January
2021
