

Year 2

Holiday Project

December 2020

Next half term our topic will be all about Birmingham and the Cadbury brothers. They were the important people that created Bournville village and invented Cadbury chocolate.

As part of our topic we will be researching how chocolate has changed over time.

Over the Christmas holidays, we would like you to **design your own chocolate bar** that you would like to sell in a shop. Think about the name of your chocolate bar, the colours, the shape and the ingredients. You can use paper to sketch your design, unless you have a better, more extravagant idea!

Please email a photo of your designs to your teacher by Monday 4th January 2021.
