# Organising the Learning

- There is a new curriculum that was launched in Wales in 2022 that we are embedding into our teaching and learning. It is designed to improve and develop children's thinking skills and independence.

Pupils will be taught through the 6 Areas of Learning and Experience

- Languages, Literacy and Communication
- Mathematics and Numeracy
- Expressive Arts
- Humanities
- Health and Wellbeing
- Science and Technology

Pupils will be taught in an inclusive environment where they are supported in the classroom, in line with any needs which they may have. Within the new curriculum, there is a key focus on learning about and through **our locality, Wales** and the **World**.

We hope to provide you with more information and support on this new curriculum over the coming year.

# One Page Profile (OPP)

My One Page Profile	

- Every child in Johnstown will have a One Page Profile which will be kept in class and used by staff to help your child with their learning.
- You will be sent a blank One Page Profile and prompt sheet.
- Using the teacher example and the prompt sheet, discuss with your child the statements on the One Page Profile. Jot down ideas for each statement and send it back to school. These ideas will contribute to the document created by the teacher.

# Physical Education (PE)

Year 6 PD is on a Friday.

Please send your child into school wearing their school PD kit and outdoor footwear on these days.

This will consist of a polo shirt, jogging bottoms and trainers.

Can you also ensure that your child brings in a jumper and waterproof coat so that we are able to go outside in all weathers.

No jewellery should be worn on PD day and long hair should be tied back.

# Reading giglets

- Some pupils may be reluctant to read for various reasons, but it is **very** important that they read regularly at home. If pupils find reading tricky or do not want to read, try to set clear expectations and a routine of when they read. In these circumstances, begin with 5 to 10 minutes a day. Setting a timer can help to minimize any worries or reluctance as the child can see there is a clear time frame and understands the boundaries and expectations you are setting around reading. You can then build up the time slowly. *Please feel free to send messages to school via online platforms or using the online Home Learning Record to praise their efforts so that we can reinforce this in school.*
- Try to make reading fun and allow pupils to choose their own reading material in addition to those allocated by the teacher. Keep a record of any high frequency words and new words that they cannot read and go over them regularly so that they build a bank of sight vocabulary. To learn these words, you can also play games such as Snap and Guess the Word. These games encourage and support the pupils in remembering and recognizing those words they are finding tricky.
- Encourage children to sound out words.
- Talk to your child about the stories/poems/comic books which they have been reading 'What was the story about?', 'Who are the main characters?', 'What will happen next?'. 'What has happened so far?', 'What would happen if.....?', 'What has happened so far?'

# Communication

Your child/ren's class teacher will ensure that important messages are shared via the school communication portal, called 'Schoop'. This is downloadable from:

- Apple Appstore -  
<https://apps.apple.com/gb/app/schoop/id619312180>
- Google Play Store for Android -  
<https://play.google.com/store/apps/details?id=com.schoop.schoopplus>
- The School code to register with us, upon downloading the application is: **6694**.

Please view a helpful guide (for downloading the app) by clicking on the logo below:

The logo for the Schoop app, featuring the word "schoop" in a stylized, lowercase font. The letters "s", "c", "h", "o", and "p" are in a dark grey color, while the letter "o" is in a bright blue color. The logo is set against a white background with a subtle drop shadow.

# Communication

## ParentPay

We are a cashless school. An activation letter from school should have been sent to you, which includes a unique **Username** and **Password**. These log in details are for a **one-time use only**. Once you have activated your account, you will be guided to select your own preferred username and password.

Parentpay is used to select and pay for school dinners, contribute towards planned school trips and receive important messages from school.

For pupils in receipt of Free School Meals, there will be no charge through ParentPay, however it is important to continue to select meal options through this to support Catering Services.

For further information about ParentPay please contact the School Office.

# Reminders

- Attendance and punctuality are crucial in supporting your child's learning progress.
- Please keep up updated with any changes of personal information such as telephone numbers, emails and address.
- Please ensure that all of your child's personal items, including coats, are named.
- Healthy snacks can be sent into school with your child to enjoy during morning break (it is helpful if snack boxes are named also).
- Please do not send in any 'nuts' as snacks or as part of a packed lunch as we have other pupils with severe allergies.
- Labelled water bottles can be brought into school so that your child can drink water throughout the day. Water fountains are available should pupils forget their bottle.
- If your child is needing medication then a Medication Form will need to be completed and returned to the school office. These forms are available from the school office.
- Please make sure that any medication, including Asthma pumps and Epi-pens are clearly named and in date.
- The Home/School Agreement, Hwb agreement and permission slips will be sent early in the Autumn Term.
