

Malorees Junior School - Year 6 Home Learning

Summer Term Week One

Monday 20 – Friday 24 April 2020

Maths

Our friends at [White Rose Maths](#) have spent the last few weeks working with BBC Bitesize to plan shared Maths lessons for this term. The BBC are launching daily programmes starting this week, and we will share details with you as soon as they are live – but you can always check for yourselves at [BBC Bitesize](#).

Your tasks for each day this week are:

	Mon 24	Tue 25	Wed 26	Thu 27	Fri 28
White Rose Maths	1 – Vertically opposite angles Questions Answers	2 – Angles in a triangle Questions Answers	3 – Angles in a triangle – Special cases Questions Answers	4 – Angles in a triangle – Missing angles Questions Answers	Friday Maths Challenge
Mathletics	Are you ready?	Measuring angles	Angles of revolution	Vertically opposite angles	Angle measurement in a triangle
Times Table Rockstars	15 minutes practice	15 minutes practice	15 minutes practice	15 minutes practice	15 minutes practice
