2nd November 2021

Dear Parents and Carers of Year 6,

It is my pleasure to introduce myself and our transition team at HHVCS to you. Traditionally our Open Evening is one of the highlights of the school year, however due to the unprecedented situation due to the pandemic we are not able to open our doors to Year 6 and their families for the foreseeable future.

However, in its place we have prepared a 'Virtual Open Evening' for you to view from home. **On Monday 8th November at 6pm the link to the HHVCS Virtual Open Evening site will be launched and become live for you.** This is the link [HHVCS Y6 Virtual Open Evening](#) that will take you directly to the Open Evening site, alternatively you can access it through our [School website](#) and it will also be published on our social media platforms [Facebook](#) and [Instagram](#) (**this link will only work from 6pm on Monday 8th November**).

On the website you will be able to view a wide range of varied and informative videos which provide a flavour of some of the experiences you would have had from attending a live event in school; we truly hope you will find the website to be insightful and engaging.

Throughout the year we hope to be able to host transition events which will include visits to the school in the spring and summer terms of 2022 and also opportunities for you to meet us.

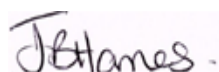

Our transition team includes Mrs Lauren Davies - Achievement Leader Year 7, Miss Nia Williams - Key Stage 3 Coordinator and Mrs Wendy Phillips - Year 7 Pastoral Assistant.

Should you wish to discuss any aspect of the transition process please contact us via email contactus@haverfordwesthigh.co.uk

We remind you that the application process for secondary school places is now open, information about the process is contained in this council link [Deadline for secondary school places](#).

We look forward to meeting you all in person and in developing a close partnership in the near future. We are particularly excited about our new school which is on course to open in September 2022. You will be able to see drone footage and a 3D video of the interior and exterior design of the new school in the Virtual Open Evening website which we do hope you will be very impressed with.

Yours sincerely,

L. Davies
