

# Dosbarth Little Haven Curriculum Letter Spring 2021

Follow us on twitter @DosbarthHaven

## Language, Literacy and Communication

This term we will be focusing on many books about dinosaurs to experience the following:

writing a blurb, poems, descriptions, fact files, reports, instructions and story writing. We will also be using Talk4Writing and Oracy21 to support our learning.

## Welcome back Dosbarth Little Haven!

Happy New Year to all! We have an exciting learning journey planned for you all this term.

P.E and Reading Books will remain the same.

Any questions or queries, please message me through seesaw.

Diolch, Mrs Phillips

## Mathematical Development

This term we will be focusing on

Addition and Subtraction  
Inverse Operations  
Place Value  
Length and Height  
Weight and Volume  
Data

As well as consolidating Autumn skills.

## Knowledge and Understanding of the world

This term we will be focusing on dinosaur hunts - directions and movements, map work, pollution (recycling) and the journey of Mary Anning. Also, fossils and dinosaur poo, The Theories of Extinction and The Eruption of a Volcano, along with designing your own dinosaur puppet.

## Curriculum Focus for this term

This term we will be focusing on

*'The Land Before Time'*

We will be learning all about dinosaurs through the areas within our learning, including ICT.

## Religious Education

This term we will be focusing on the following topics from our Come and See Programme:

Special People  
Meals  
Change

Our Virtues are:  
Grateful and Generous  
Intentional and Prophetic

## Physical Development

This term we will be focusing on Dinosaur dances - looking at the shapes and movement and Welsh Folk Dancing. Also, specific PE skills of throwing / catching movement and travel.

## Welsh Language Development

This term we will be focusing on Dewi Sant, Dewi the Dinosaur and lots of every day and incidental welsh through numerous activities. We will also be using the website 'Cyw' and 'BBC Bitesize'.

## Personal and Social Development

This term we will be focusing on 'Morals' - why things are special and important to people, 'Healthy Eating' - making a dinosaur a healthy and unhealthy lunch and the 'Right and Wrong Choices.'
