## Our Vision

We are in the process of re-visiting our vision as more and more people join our school community. Would you please read the text below and if there is something you would like to feedback would you please send it through?

“Mary Immaculate is a Catholic school in which each individual grows and thrives whilst living and learning in the light of Christ. We encourage our pupils to be themselves and develop a love of learning and a sense of belonging within a safe, happy and caring environment. In partnership with parents and the whole community, our purpose is to successfully provide a high standard of education, giving the maximum opportunity to realise each individual’s potential and God-given talents.

Within an ever-changing world, we aim to empower our pupils and ensure they are emotionally equipped to apply their learning and skills, and to become life-long learners. Pupil leadership drives inclusivity and inspires our learners to speak up for the good of our school, community and beyond.”

There will be a feedback form coming out soon which will give you the chance to feedback on the language used above.

We will also be asking for your input into plans such as “100 things to experience before leaving Mary Immaculate” this could be anything from climbing a mountain to making a daisy chain, from visiting a castle or gallery to having a picnic in the park! We would like to plan for the knowledge and skills of the new curriculum but also, and crucially, experiences that our learners have missed out on in the past couple of years.

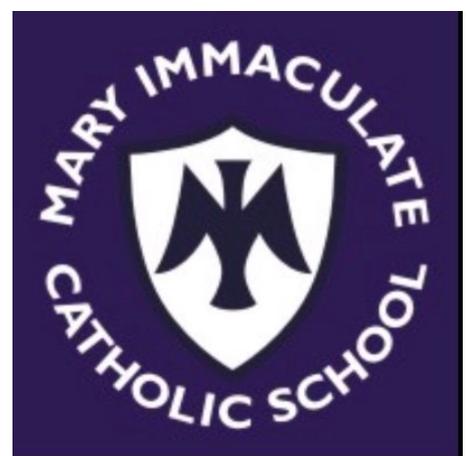

## Parents views - how schools support children's emotional health in Pembrokeshire

‘There are many internal and external factors that can affect your child's emotional health and wellbeing. As schools across Pembrokeshire, and the Local Authority, we are embedding our plan for a ‘Whole School Approach’ to emotional health and wellbeing, that will help children and young people to thrive. We would like to know what parents view as important factors that support positive wellbeing for learners in Pembrokeshire schools.

We value your views as we do this, and we will use these views both to inform and shape the Whole School Approach, and to understand how we can be most effective in offering this support. This survey has 12 questions and will usually take under 10 minutes for you to answer.’

## Dosbarth Newgale

We are very lucky to have seen a message from Darwin Science earlier today which said they had a last-minute cancellation and Miss Williams has booked her class to visit St Brides on Monday. If you are a parent in Dosbarth Newgale, please check Seesaw to see the details of the day and respond before Monday morning. I appreciate this is last minute however I am so grateful that we are able to offer this opportunity to our pupils, to work with experts in their field in such a beautiful location. We can't wait to hear all about it!

#### “Chatting Online”

Children will learn:

- How to use technology safely;
- That bad language and bad behaviour are inappropriate;
- That just as what we eat can make us healthy or make us ill, so what we watch, hear, say or do can be good or bad for us and others;
- How to report and get help if they encounter inappropriate materials or messages.

## CrossFit

Yesterday, we (Josh Collins, Haydn Clift, Lily Mathias, Adrian Sikipa and Lillia Symmonds) went to a CrossFit competition and competed against six other schools. Our challenge of the day was trying to beat the time scale given completing different WOD (workouts of the day). We learnt how to use different body parts during these workouts. Once we had completed all of these WODS we found out the results for each team. Mary Immaculate Catholic School received the best sportsmanship which meant Lily and Lillia received red t-shirts from Sports Pembrokeshire. But that wasn't all for Mary Immaculate School, Adrian received a medal for coming joint second out of the boys' team. A wonderful day had by all.

Reported by the participants named above

## Netball

Mary Immaculate netball squad went to Tenby Leisure Centre earlier today and took part in a netball tournament organised by the Urdd. We played three matches and the teams we played against were St Teilo's, Pembroke Dock and Gelli Aur. We tried extremely hard against all teams and the results are below:

Mary Immaculate - 6 V St Teilo's- 0,

Mary Immaculate - 1 V Pembroke Dock - 1

Mary Immaculate - 6 V Gelli Aur - 1

As you can see it was a nail-biting match against Pembroke Dock! We found out later in the day that it went down to points difference and we are delighted that we got through to the finals after half-term! We are very proud of our team and we are looking forward to the next match.

**Father God,  
Help us pilgrims as we travel through life.  
Help us remember how powerful prayer is –  
even when we can't see the answers  
straight away.  
Help us to pray for others.  
Amen**
