HWB

Acceptable use of accounts.

As part of the Pupil Acceptable Use Policy for the Internet, pupils at Mary Immaculate have agreed to use polite language when communicating with others and not to disrespect other people. Communication between pupils and teachers, via email or shared documents, are to be for educational purposes only within lesson time and for the purpose of the learning outcomes of the lesson. Please remind your child of following all online safety notices and the importance of communicating politely both in person and online. Please find further advice here: <https://hwb.gov.wales/zones/keeping-safe-online/>

SAFEGUARDING

Images/videos posted on social media.

We would like to remind you that if you are posting any photographs or videos that were taken at the school's sports day to social media, they must include your child/ren only. If any other children are included in these photographs, the permission of their parents/carers should be sought before being posted. Safeguarding our pupils is paramount. Please ensure all family members that attend school events, including the upcoming school fete, are aware of our safeguarding messages that are sent out via ParentMail and SeeSaw. Thank you for your support with this very important matter.

FIRST HOLY COMMUNION

On Sunday, we gathered at St David and St Patrick Catholic Church to make our First Holy Communion. We had been looking forward to this day for a long time, and we have spent the past few months preparing. Our grown-ups and teachers came to share our special day, and we even had a party after! We now feel closer to Jesus and will try our best to make the right choices to live as Jesus has taught us to. A big thank you to Father Paul Joseph for leading the service and Mr Morris for playing so fantastically.

INSTALLATION OF THE BISHOP OF MENEVIA

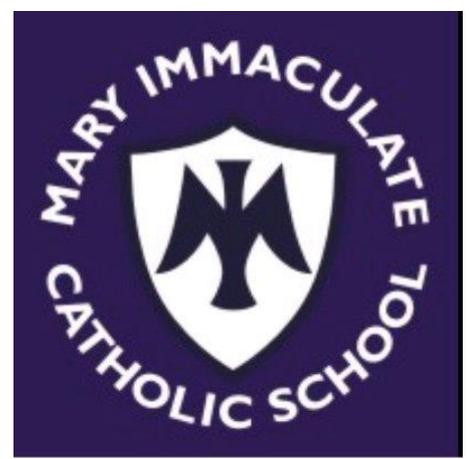

This Thursday, the Faith Ambassadors (Janelle and Max) were invited to the Installation of the Most Reverend Archbishop-Elect Mark O'Toole as the 4th Bishop of Menevia. It was held at St. Joseph's Cathedral, Swansea. We went on a minibus with St. Francis, St. Teilo's and Holy Name School. We enjoyed representing our school on such a nice day, we had an amazing experience watching the Installation and welcoming Bishop Mark O'Toole into the diocese.

SPORTING FIXTURES

On Friday last week, Spittal school came to us and we had matches against them in football and netball. In football we had 4 teams and we played two teams at a time because there were two pitches, netball there was only one at a time. The first two games in football were team two and team one. Team one's game was 3-0 to Mary Immaculate and the team two game was 4-1 to Mary Immaculate. Then team 3 played and lost 3-2 to Spittal and team four's game was 0-0. At half-time we all had a slice of orange and we went into more games. Team one played and won 5-0, then team two played and drew 1-1. Team 3 and 4 played and it was 2-1 to us and 3-1 to them.

"Keeping Safe"

We will be exploring what makes a situation a 999 emergency and introducing children to the principles of basic First Aid through animated teaching, role play and discussions.

Dosbarth Druidston

"Chatting Online"

During the session the children will be discussing steps that they need to take to stay safe online. This session focuses particularly on chatting and cyberbullying; it helps children to know how they can report and get help if the encounter inappropriate messages or material.

Tweet of the week!

On Thursday this week, the year 6 pupils competed in a TAG rugby tournament organised by Haverfordwest High. The tournament was held at Haverfordwest Racecourse along with other schools across the county including Fenton, Prendergast, St Marks, Broad Haven, Spittal and Cleddau Reach. Both of our teams came 4th overall. We lost out in the third-place playoff to Prendergast, but we beat Fenton in the fourth-place playoff. It was a lovely sunny day, and we had a lot of fun representing the school.

COMMONWEALTH WEEK

We have had an extremely busy week during our Commonwealth Week. The children have written a summary of all the experiences that they've had this week.

Opening Ceremony

To open our Commonwealth Week of activities the whole school did a parade outside. Every class made torches or flags and we ran a lap of the playground and everyone waved their flags at us and cheered us on. Key Stage 2 ran a lap around the field. Some children from the Department of Expressive Arts played drums and other instruments very loudly! We really enjoyed ourselves.

Sports Days

We were excited to welcome all our family members back to school to celebrate our sports days this week. Pupils were split into their new houses this year where they represented either St David, St George, St Patrick or St Andrew and individuals accumulated points for their team for each race they placed in. All children competed in various races both individually and within a team to win points for their team. These included an obstacle race, sprint, relay, and a long-distance race for Key Stage 2. After combining the points for each house from Key Stage 2 sports day and Foundation Phase sports day, I am pleased to announce the following results:

St David	St Patrick	St George	St Andrew
87 pts – KS2	80 pts – Key Stage 2	57 pts– Key Stage 2	81 pts– Key Stage 2
24 pts– Foundation phase	38 pts– Foundation Phase	30 pts– Foundation Phase	31 pts– Foundation Phase
Total: 111	Total: 118	Total: 87	Total: 112

Llongyfarchiadau to team St Patrick on their victory! We are all so proud of the children's behaviour, resilience and sportsmanship during our sports week and congratulate them for taking part so well. A big thank you for attending each of the sports days this week and especially to the parents who took part in our parents' races at the end of the day. They were very entertaining!

Gymnastics

Miss Finola came into school and we did gymnastics. We jumped on a springboard and had to do a star jump and hold our landing for 3 seconds (we counted to 3 pink elephants). We also had lots of fun trying to kick a block that we were holding above our heads!

Reported by Dosbarth Little Haven

Cycling

The Foundation Phase also had a cycling session with Sports Pembrokeshire where we all had a go at cycling around the playground and went around the obstacle course. We loved choosing which bike we went on as there were so many to choose from.

Tennis and rounders

This week, Year 3 and Year 4 enjoyed a morning of tennis. Our favourite games were throwing the ball to our partner to hit with their racket, and we had to try and catch it, and the burger race. We also played rounders in our teams. It was so much fun to play against each other and all the teams gave it their all!

Beatball

On Friday, in our whole school assembly we had Nicki and Casey in from Football First to tell us about BeatBall – it is a combination of music and football. Every class had a session with Nicki and Casey, it was AMAZING. We did lots and lots of fun activities and games with a football, we even got football cards! We are all so grateful.

Dosbarth Little Haven's assembly

Reported by the children of Dosbarth Little Haven

This term, we have been learning about 'Being Sorry' as part of our RE topic and also performed a class assembly! We got on the stage and had to say our lines loud and clearly whilst also sharing our songs and prayers. We all really enjoyed it and are so excited to perform on the stage again when we get the chance! It was nerve wracking, but we did it! – Evie

I could see how proud the audience was because they were clapping and smiling – Lucy

It was very exciting, and I was only a little bit nervous – Norah

I was proud because although my family seemed far away, they could hear me! - Wyatt
