

Dosbarth Druidston Curriculum Letter Summer Term 2022

Follow us on Twitter @DosbarthDruidst

Language, Literacy and Communication

This term we will be continuing with our 'Talk for Writing' process, we will be applying the skills that we have previously learnt throughout the year as well as learning new techniques to write a 'finding' story. Our focus will be to create 'mystery and suspense.' Our non-fiction focus will be 'instructions and explanation,' with a focus on Haiku Poetry.

Cymraeg

We will be learning all about 'discussing past events' and 'giving opinions.'
The main focus of our learning will be our oracy skills, which will support our reading and writing skills.
Some phrases to try at home.....
Ble est ti? (Where did you go?)
Beth gest ti? (What did you have?)

Science and Technology

This term we will be investigating habitats, linked to our topic. We will be investigating what God's creatures need in their habitats to survive. We will also look at how these habitats can be recreated in captivity.
We will continue to use the variety of tools provided on HWB.
As part of 'Enterprise Week' we will be using our technology skills to develop products to sell during the week. The products will be decided as a class.

Croeso nol to Dosbarth Druidston

I cannot believe we are in the final term of the year, and what an action packed one it is going to be! We have lots of fun and engaging activities planned for this term, it's going to be very busy with things like enterprise and sports week.
Homework for this term will be uploaded to our Google Classroom, I look forward to seeing the completed activities. If you have any questions or concerns, please don't hesitate to contact me via SeeSaw and I will respond as soon as possible.
Mrs Tweedie

Curriculum focus for this term

Do we help or hinder God's creatures?

Our learning this term will focus on answering the question 'Do we help or hinder God's creatures?' We will be looking at animals in the wild and in captivity, to decide our impact on them. We will also be discussing the differences that we can make!

The children have shown such enthusiasm already and I cannot wait to see what their findings will be.

Mathematics and Numeracy

This term we our focus will be:

- Decimals including number bonds to 100.
 - Measurement – Money
 - Measurement - Time
 - Statistics
 - Properties of shape
 - Measurement – Weight
 - Geometry – position and direction
 - Times Tables (2,3,4,5,6,7 and 10)
- Problem solving activities will be used across the curriculum to embed the skills across the curriculum.

Religious Education

The children will follow the Come and See themes; we start with the 'New Life' where the children will explore 'Pentecost' and 'Serving.'
We will then focus on 'Building Bridges', looking at 'Reconciliation' and 'Inter-relating.'

Our virtues this term will focus on 'Attentive & Discerning' through our 'Awesome Actions' of 'Manners Matter' along with 'Ready and Respectful.'

Health and Wellbeing

Our PE specialist Mrs Kerrison will lead some of our PE sessions this half-term, followed by Swansea City Football Club next half-term. We will also be developing circus skills in line with our topic. Pupils will need to wear PE kit on Monday and Thursday for this half term.
This term we will continue to follow the 'Life to the Full' programme. We will be looking at how we are 'Created to love others.'
