Reminders

- The flu vaccinations will take place on the Monday that we return to school – November 2nd. Thank you to everyone who returned their permission slips.
- Please could we ask you to supervise your children until they are admitted to the school grounds in the morning. There have been a couple of instances this week where pupils have been chasing each other and have been very close to the road. The children are not the responsibility of the school staff until they are on the school site.

Shwmae Day

Today the school was a sea of red, white and green to celebrate Shwmae Day. The children took part in a range of activities both inside and outside of the classroom.

Attendance

The attendance figure for the past two weeks is 95% which is excellent. This outperforms the local and national figures for attendance since the return to school in September. Pembrokeshire local authority currently has the highest rate of attendance in Wales at present. Many thanks to all of you for getting your children into school regularly and punctually.

COVID

I hope that you are all well and keeping safe. I urge you all to please take care over the weekend now that Covid is spreading, we all have a responsibility to care for each other - every member of our school community is precious. Should your child need to seek a test and the outcome of that test is positive during half term, you should use the education.coronavirus@pembrokeshire.gov.uk email address to let the Local Authority know.

Leisure Activities

Please see overleaf the range of great opportunities on offer at Haverfordwest Leisure Centre over the holidays. The following message has also been sent:

We are now delighted to be able to let you know a little more about what we have to offer children in our centre.

We have worked with the respective bodies for swimming and climbing and are delighted to be able to offer family swimming and climbing again. Learn to Swim lessons also restart after half term. Children who were in the LTS programme before March will be contacted and offered their space by a member of the Haverfordwest Leisure Centre team, you do not need to do anything further.

We have a COVID-19 section on our website which gives people information on the safety measures we are taking when people are booking and using our facilities.

Parish Links

We are hoping that after half-term we will begin attending Mass in the parish church again.

Friends of Mary Immaculate

We are keen to get going with our activities and fundraising events as soon as possible. We have several exciting ideas but, as always, would welcome more. We are hoping to appoint a parent representative for each class. If you are interested, please could you get in touch with us on our Facebook page? friendsofmaryimmaculate@gmail.com

We have started a pre-loved uniform shop – all details on our Facebook page. These used items of school uniform are in excellent condition and have all been suitably isolated, washed, ironed and isolated again! They are very reasonably priced with all money going to the Friends' fundraising which provides support and resources for your children.
