Portfield School Mission Statement

Working together Learning together Achieving together

At Portfield School we strive to

- Create a happy, safe, supportive and stimulating learning environment
- Value everyone
- Develop everyone's personal, social, emotional health and wellbeing
- Promote relevant academic and vocational skills
- Meet individual needs through an imaginative and flexible approach
- Enable all learners to achieve their full potential

UNCRC United Nations Convention on the Rights of the Child

- Portfield School places the values and principles of the UNCRC at the heart all policies and practices
- Portfield School is a Rights Respecting School

RATIONALE

"Learning a modern foreign language (MFL) helps all pupils develop their interest and curiosity in the similarities and differences between themselves and others. This includes learning about countries, cultures, people, and communities. Meeting people from other countries and cultures helps to broaden pupils' horizons by experiencing new and different languages and cultures. Learning the basics of a foreign language helps pupils to extend and develop their language and communication skills and can enhance self-esteem.

In particular, MFL offers people with learning difficulties opportunities to:

- ◆ become more aware of themselves as citizens of the world, as well as in their own immediate environment and society
- ◆ become more aware of language, sounds, smells, tastes, images and artefacts from other countries and cultures by working with materials from these countries
- ◆ become more familiar with the sounds of MFL and use a range of methods which develop speaking and listening skills rather than relying on the written word
- ◆ meet people from other countries and communicate with them in their own language
- ◆ develop imitation skills and the motivation to produce sounds and an expressive language
- ◆ use ICT for direct electronic contact, e-mail or the internet so they can use a new language to communicate with the schools and people in other countries
- ◆ support their learning in other subjects, *for example, English or geography*
- ◆ develop listening, concentration and social skills through partnership and group work
- ◆ work in a range of contexts and topics adapted to suit individual interest and motivations.'

ROLES AND RESPONSIBILITIES

All members of the teaching staff from KS3 have a responsibility for the teaching of modern foreign languages and they need to ensure that their knowledge is continually updated. MFL is part of the LLC AOLE in the new curriculum. The LLC team:

- take the lead in policy development and production of the schemes of work, ensuring continuity and progression across the school;
- support colleagues in teaching the subject content, development of planning, implementation of the scheme of work and in assessment and record keeping activities;
- monitor teaching and learning to continue to support improvement in pupil progress and report back to the headteacher, staff and governors;
- have responsibility for the purchase and organisation of central resources for modern foreign languages and relevant ICT resources;
- keep up to date with current initiatives and curriculum development;
- disseminate this information to staff and keep them informed of possible visits, exhibitions and courses;
- collaborate with colleagues in other schools.

SKILLS ACROSS THE CURRICULUM

At key stage 3, pupils are given opportunities to build on skills they have started to acquire previously. Pupils continue to progress in developing thinking, communication, ICT and number skills.

a - Thinking Skills

Pupils develop skills through a range of activities, build on and use previously learnt language creatively.

b - Communication Skills

Pupils develop skills by listening to new sounds and words, practice speaking the vocabulary learnt

c - ICT Skills

Pupils can develop skills through sending emails and sharing information using language learnt.

d - Number Skills

Pupils develop skills through number rhymes, currency exchange etc.

Literacy and Numeracy Framework (LNF)

There are three literacy strands Oracy, Reading and Writing. Pupils should be given opportunities, where appropriate, in their study of modern foreign languages to develop and apply the three strands. There are four strands of numeracy - developing numerical reasoning, using number skills, using measuring skills and using data skills. Pupils should be given opportunities, where appropriate, in their study of modern foreign languages to develop and apply skills in the four strands.

Developing ICT Skills and Digital Competency

Pupils develop their ICT and digital competence skills across the curriculum by finding, developing, creating and presenting information and ideas and by using a wide range of equipment and software. They also will develop a growing awareness of how to use digital technology to create, produce and share information and ideas. They will develop skills to stay safe and identify the risks and benefits of using technology.

EQUAL OPPORTUNITIES

All pupils will have access to a broad, balanced and relevant curriculum regardless of their race, culture, background, gender or disability. All areas for equal opportunity will be taken into consideration when planning lessons, activities and access to the MFL Curriculum. Provision should be made to enable the use of switches, IT, Communication aids etc. and the deployment and support given by staff.

HEALTH AND SAFETY

It is the responsibility of all staff and where possible, pupils, to be aware of health and safety issues in relation to this curriculum area. Positive attitudes should be developed

towards the safety of self and others when using equipment. Any issues arising should be brought to the attention of the Headteacher /Health and Safety Officer and a risk assessment carried out in relation to the subject area.

CURRICULUM ORGANISATION AT KEY STAGE 3

- ◆ Teachers deliver MFL course which is suitable for pupils at P8 and above.
- ◆ French is taught at KS3 (years 7, 8 and 9) to all pupils. Programmes of study are modified to ensure all pupils are given appropriately challenging work.
- ◆ Assessment is ongoing and related to planning. Pupils are assessed annually against the P scales and NC levels (see SOLAR Assessment) and a summative statement forms part of the annual review report to parents.
- ◆ The emphasis in the MFL scheme of work at key stage 3 is on cultural experiences, speaking and listening

DIFFERENTIATION

In order to provide for children of different abilities within each class we endeavour to differentiate tasks in a suitable way. Differentiation is catered for in one of three ways:-

1. Differentiation by task
2. Differentiation by outcome
3. Differentiation by support offered

Implementing, Monitoring and Evaluating the Policy

All staff will take responsibility to ensure the policy is implemented within their classroom/lessons.

The effectiveness of the policy will be reviewed biennially by the co-ordinator.

- Is current practice still reflected?
- Are the aims being achieved?
- Is there evidence to show breadth and balance in the curriculum?
- Is monitoring and planning effective?
- Is there evidence around school that demonstrates pupil achievement and enjoyment?
- Are resources effectively allocated?
- Is there evidence that teaching and learning is effective?

PORTFIELD SCHOOL
MODERN FOREIGN LANGUAGES POLICY

KEYSTAGE 3 - SCHEME OF WORK MFL			
L. OBJECTIVES	CORE VOCABULARY	SLD OUTCOMES	PMLD OUTCOMES
UNIT 1			
To say hello & goodbye	Bonjour, salut, au revoir, ca va?	To respond to & say appropriate greeting	To experience French greetings songs etc.
To answer register	Present (e), absence (e)	To use correct response	To respond with smile, gesture etc.
