

# Our School

# Anti-Bullying Policy

We

like everyone to be happy.

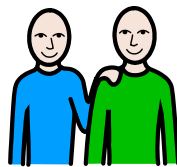

Please

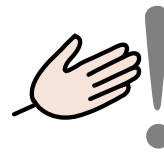

be

kind,

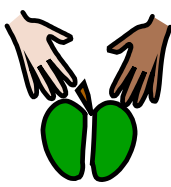

friendly

and helpful.

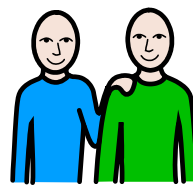

Please

share

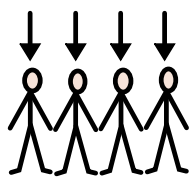

with your

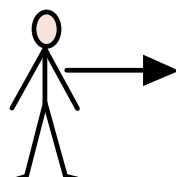

friends

and let

everyone

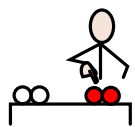

join

in

your games

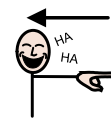

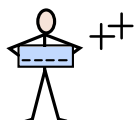

These are some of the

things pupils in School

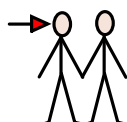

don't like...

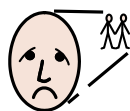

Being called names, being teased,

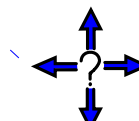

being pushed, having things taken

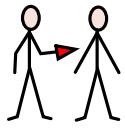

from them, being talked about,

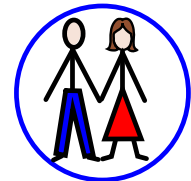

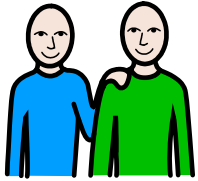

being left out of games, being hit

or kicked or hurt in any way.

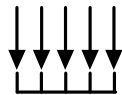

If you are unhappy, please talk to a

friend or a teacher or your parents.

We will find out why you are unhappy

and do everything we can to

make sure you are happy.

We hope you enjoy your time

at Portfield School.
