07 March 2018

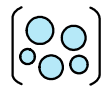

Present: FG SP MC SA GK JC CH JE GM CB

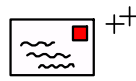

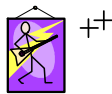

Apologies: JC JM LT

The meeting started at 2.15

1. Easter raffle - we set up everything for the Easter

raffle made posters and organised letters to go home to

parents.

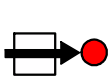

2. Mrs Williams told us that we had had a voucher for

£25 from Vincent Davies to spend in their garden department

to put towards our enterprise. We also had some family

passes for Heatherton which we are going to use in our

raffle to make funds for school. We are waiting to see if

we receive any other donations.

3. We discussed comic relief and the fact that it is sports

relief this year. We decided to ask classes if they wanted to

do anything for sports relief as there is a lot going on

at the moment.

4. Any other business - Mrs Whitby asked us to look at the

Welsh government consultation giving young people a say on

reasonable punishment. Mrs Williams needs to print further

information from the website for us to discuss it.
