The meeting started at 2.15

1. Welcome back to everyone and a New Year.

2. There was no feed back from classes. Mrs Williams sent

a note back to all classes with their representatives asking

for ideas and topics that they might like us to work on.

3. Mrs Williams told us all that this year it was Comic

relief and this was the 15th March. She asked us to start

thinking about ideas for fundraising.

There was no other business.
