1. Toilet survey - not all classes had completed the

survey. Mrs Williams asked could she have them all in by

Friday of this week.

2, Children in Need - There were lots of ideas of what we

can do for children in need. We discussed all the ideas and

it was decided to maybe link the day with the friendship

day. We are going to ask Mrs Harper if we can have a

non uniform day and see if everyone can bake

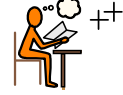

morning and hold a friendship coffee afternoon where classes can

get together and purchase their cakes. 6th form 1 would also

like to make a spotted trail around school where students and

staff can purchase a spot and see how far we can go.

Any other business - U4 brought up that classes don't use the

playground at playtime any more and their class are missing having

someone to interact with. Mrs Williams said she would discuss

this with Mrs Harper.
