Dinner survey feedback - We looked at the results of the

dinner survey and read the comments that students had made

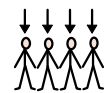

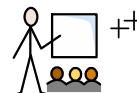

about school dinners. Everyone was happy with the results and

it was decided to pass these onto Mr Hughes for him to

share with the kitchen staff.

The enterprise fair was discussed and classes told everyone

what it was they were going to make for the stall on the

2nd, 3rd and 4th of July.

There was no feedback from classes.

Any other business

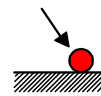

JM brought up that the new playground equipment was not on the

playground in upper school. Mrs Williams said that we were still

waiting for a couple of things to arrive but that there were some

games that needed to be distributed to the classes.
