

School Council minutes

13 December 2017

Present: FG SP GM JE CB SA MC GK CH EB JC LT

Apologies: JC JM

The meeting started at 2.15

Y Porth joined us for the meeting.

1. We looked back at what we had done and achieved this

term. We talked about the successful Children in need day

Abcd

and I think the highlight was the drone coming and taking

the friendship photographs.

2. We talked about plan for next term. It was decided to

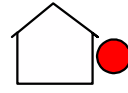

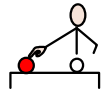

ask classes to discuss and let us know of anything they

would like us to do.

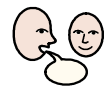

3. Any other business.

Y porth brought up that they outside area had deteriorated and

some of their equipment had broken. They did not know who was

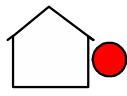

responsible for repairing and looking at it. Mrs Williams said she

would speak to Mr Wilcox.

JM asked what had happened to the basket ball hoops in the

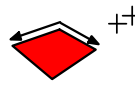

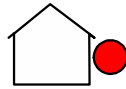

upper school outside area. Mrs Williams again said she would

check with Mr Wilcox.

A discussion started as to whether we could raise funds to

purchase equipment for the outside areas. It was decided to

ask classes for ideas.

The meeting finished at 2.45
