what to put on the agenda to discuss with Mrs Harper. This

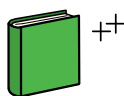

included children in need and anti bullying week. Mrs Williams

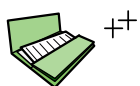

is going to do the agenda.

2. Class feedback - There was no class feedback. Notes

were written in books to ask classes to discuss any issues

or projects they would like us to work on.

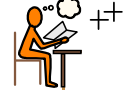

3. Any other business. There was no other business.

morning and hold a friendship coffee afternoon where classes can

get together and purchase their cakes. 6th form 1 would also

like to make a spotted trail around school where students and

staff can purchase a spot and see how far we can go.

Any other business - U4 brought up that classes don't use the

playground at playtime any more and their class are missing having

someone to interact with. Mrs Williams said she would discuss

this with Mrs Harper.
