Homework: linked to topic and class based activities.

Rich Learning Task 2 - Recipes, buying, making and selling

Research how traditional Welsh ice cream is made? AfL: What to do..., Phone-a-friend.

Find a video , QR code, write instructions: Book creator, iMovie.

Gather and record data of students favourite ice creams in lists/ tables, block graphs, extract and interpret information from lists, tables, diagram and graphs.

Visit Upper/Lower school, Y Porth (Facetime) to gather further information of favourite flavours throughout the school. Create graphs and analysis.

Research Welsh recipes and run various trails: send samples out to classes and get their feedback, make changes and repeat trail.

Shortlist top 5 flavours and budget for ingredients and quantity.

Safety - Using equipment safely, freezer, road safety when going shopping. Paying for items - using money and calculations.

Cooking - following Welsh recipes finding equipment measuring ingredients.

Selling Welsh ice cream at the stall - Greeting, serving, handling money, tidying etc.

Estimating and counting grand total made, profit/loss.

Evaluating
