

### Rich Learning Task 1.

Research welsh authors- create a mind map, PowerPoint, story board or poster on different Welsh authors, save images from the internet. 

Create a fact file about the author Roald Dahl

Maps - Where in Wales was he born? Find locations on a map, label. 

List all of the stories Roald Dahl has written.

Producing own illustrations linked to the book: James and the Giant peach.

Plan a trip to the library - booking buses and contacting library (emailing) 

Exploring the library - asking for help from library staff, searching for area by genre.

Select a book to read and check out

Review the book (video) and present your book review to others

Revisit the library to check book back in 

Review the book the class book.

Class book:  
James and the Giant  
Peach.

Abereiddy KS3.

Spring 2 2020.

### Rich Learning Task 2.

'Let's build story boxes'.

Story map using Pie Corbett strategies (To be done as a group and working with a peer)

Drawing the story: story board/comic strip.

Identifying characters: how are they going to make them: design, create, modify.

Identifying settings in sections: beginning, middle, problem to solve, ending—students to choose which part they are going to develop.

Deciding what actions/signs to use/making props/designing backgrounds linked the scene chosen: land, sea, air, city...

Create story boxes—link boxes together to tell the story.

Retell story to another class.

Evaluate.
