

YEAR 3

Blood, Bones and Gory Bits.

Autumn Term.

Welcome back..... From Mr Reed.

Religion.

Welcome to Year 3!

Religion topics will be:
Homes, Promises and Preparations .

I hope you've all had a great summer holiday. The topic this term, for the children in year 3, will be:

We will be learning about the sacrament of Baptism.

Blood, Bones and Gory Bits!

Mathematics..

Addition and Subtraction facts to 20. 2,5,10, tables, place value, comparing and ordering numbers.

This will be a fun topic with a strong science focus. The children will be learning about the human body including significant organs such as the heart, brain and lungs. Children will have the opportunity to use iPads to support their learning and will be creating some information booklets about the body.

Literacy: Speaking and listening skills and extending reading skills.

We will be using Welsh every day in the classroom and I aim to make this fun for the children.

In this project the children will learn:

- About the heart, circulation, the pulse and blood;
- About major organs of the human body and their functions
- What teeth we have.

If you have any questions feel free to see me before or after school or send a note in and I will do my best to respond. I look forward to working with you and your child.

Hwb provides a secure learning platform for schools/pupils with and includes home access to Microsoft Office 365. Pupils can use Hwb for all their communications, to collaborate and to work on homework projects and assignments. All children have been given their log-in details

Half term dates

Monday — 26th October

Friday 30th

Remember to check our school website :

<http://www.stjosephscatholicps-swanssea.co.uk>

Special points of interest:

- P.E Day —Monday P.M—outdoor games or indoor depending on weather.
- Spelling test every Friday.
- Homework given out on a Friday—ONLINE. Children will access Hwb to complete the task by the following Wednesday.
- Reading will be done in school—books will stay in class.

As part of our context "Blood, Bones and Gory Bits" the children will eventually start to build their own moving

monsters. Please could you keep any spare cardboard boxes from shoes, cereal, biscuits, tooth-paste etc. and any kitchen rolls

for building the body. Clean yogurt pots, bottle tops and bits of wool for hair etc. would all help! to add detail. This will be needed for the week before half term.

Remember to follow us on twitter @stjpsc to find out what we do in school.
