

Reception Class

Autumn Term 2020

Mrs. Rhian Weaver (Class Teacher)

Miss Marie Brougham (Teaching Assistant)

Miss Jo Davies (Teaching Assistant)

A warm welcome back to school to everyone and we hope that you are all safe and well!

This year your child will be developing their independence, confidence, resilience and curiosity and this first week back has seen them all adjusting pretty well to new routines and their exciting new environment!

Our topic this term is '**When I fall asleep**' and amongst other things, we will be learning about bedtime routines, the moon and stars, nocturnal animals and being safe.

Literacy and Numeracy

This term we will be revising letter names and sounds and looking at basic CVC words (eg c-a-t, n-o-t) as well as practising basic handwriting skills. Unfortunately, due to the current circumstances, we will not be sending school reading books home but the children will practise their reading in class.

We will be reinforcing basic numeracy skills as well as learning about simple 2D and 3D shapes, simple time and comparing and ordering size.

As always, we appreciate your input practising literacy and numeracy skills with your child at home!

Homework

Homework will be set online (Hwb) Please let me know if you have mislaid your child's login details!

Religious Education

Our topics this term are *Myself * Welcome * Birthdays

Physical Education

Please send your child to school wearing the school gym kit on Thursdays

Please ensure that all your child's possessions are labelled! (including shoes, bags, hats etc)

We aim to give your child a positive start to their school life and very much appreciate and value your support. We are always happy to answer any queries you may have so please don't be afraid to get in touch! (phone/email ...WeaverR10@hwbcymru.net).
