

# Year 6 Open Evening

Dear Parent/Guardian,

Moving from primary to secondary school is such an important milestone in the lives of children and their families. At St. Joseph's we pride ourselves on our smooth and extensive transition programme that helps our pupils to arrive in September, excited about the next chapter in their education.

Here at St. Joseph's, we aim to enrich our young people's learning, providing them with opportunities and challenges that help them to develop the knowledge, skills and confidence to become ethical and well qualified individuals, ready to take an active place in society.

Due to current restrictions, we are hosting a series of Open Evenings within primary school groupings to give you and your child an opportunity to meet staff and pupils, sample the subjects we offer here at St Joseph's and visit parts of the school. Our Open Evenings start at 4pm in the New Hall with some brief introductions from senior staff and current Year 7 pupils.
