## WELCOME BACK TO NURSERY!

*A big welcome back to all of our children and parents in Nursery during the Summer Term! It has been wonderful to see so many happy, smiling faces greeting us at the gate each morning and we have enjoyed listening to all of your fabulous tales of Easter egg hunts, meeting new friends and special holidays with families.*

*I would also like to extend a warm welcome to Miss Hayley who returns to class this term. The children and staff have been thrilled to welcome Miss Hayley back to our classroom. Lovely to have you back Miss Hayley!*

*Mrs Ryan*

**TIME TO GROW!**

# SUNSHINE & SUNFLOWERS!

Our topic this term is called Sunshine & Sunflowers. This seasonal project provides opportunities for outdoor learning and teaches children how to care for the plants and animals in their local environment and how to stay safe in the sun. We have already started planting our own special plants from seed and have been busy looking after them and watching them as they grow!

## SUMMER TERM NURSERY CHALLENGES

We will continue to work on lots of different challenges in school but below are some ideas for activities to practise at home:

- Putting on coats and shoes independently.
- Practising with zips and buckles.
- Recognising and tracing our names.

For our second year Nursery children,:

- To practise sharing and responding to our new reading book stories at home.
