

#### Maths

New Heinemann

#### Welcome to Year4 .

A warm welcome to all the children in year 4. May I take this opportunity to outline the topics to be taught in Year 4 and also daily routines and expectations.

#### English

Collins Primary Literacy

#### P.E and Games

**Monday afternoon.** Children will be allowed to wear their school PE kit as we don't want them changing at the moment.

**REMEMBER** to keep up to date with all news and events by using the [new school website:](http://www.stjosephscatholiccps-swansea.co.uk/)

[www.http://www.stjosephscatholiccps-swansea.co.uk/](http://www.stjosephscatholiccps-swansea.co.uk/)

Add us on TWITTER: [@stjpsc](https://twitter.com/stjpsc)

AND we are now on **Twitter** so you can follow us

#### Homework

Reading books are to be brought into school as soon as possible, we will not be sending books home at the moment but rest assured we will be reading with them daily.

Homework books—Focus on Literacy, spelling and Maths homework will be put on onto Hwb on a Thursday to be completed by the following Tuesday, at the latest for marking.

Weekly spelling and times tables will be every Friday.

Please can you reinforce the learning of times tables as they are very important in the development of mental maths ability. Please encourage half an hour of reading every night.

#### R.E

#### Come & See

Autumn - \*Domestic Church - Family  
\*Pentecost / Reconciliation - Universal Church

**“Curriculum Maestro”** is our New Learning Project Curriculum. It encompasses the *foundation* subjects with the *personalisation* of the *curriculum*.

**Ancient Civilisations** This project teaches children about the history of three of the world's first ancient civilisations: ancient Sumer, ancient Egypt and the Indus Valley civilisation. Children will learn about the rise, life, achievements and eventual end of each civilisation.

**Blue Abyss** Teach children about the human uses and physical features of the sea developing their knowledge of ocean layers, sea exploration, food chains, habitats and pollution.

Linked science investigations: Are all sea creatures the same? How does pollution affect habitats?

I hope you find this information useful.

If you have any queries, please contact me for more information.

I will also keep you up to date of any necessary changes, or important matters through HWB. [JamesC404@hwbcymru.net](mailto:JamesC404@hwbcymru.net)

These continue to be unusual and unpredictable times for all of us, we are all doing our best and we will need to work closely together.

Many thanks for you support.

Yours sincerely

Mrs C Brett-James and Mrs D. Williams
