

### Welcome back

I hope you had a lovely Easter holiday and you are all ready for a busy summer term ahead of us!

### Literacy

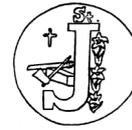

We will be looking at poetry, instruction writing, making lists, weather reports and postcards.

Please encourage your child to use finger spaces and full stops. Please keep recapping sounds, words, and spelling patterns. We will continue to have weekly spelling quizzes.

### Numeracy

We will be learning/ recapping about time, problem solving, weight, data handling and numbers to 100 (tens and units).

## Year 1 Mrs Torrance

Our new topic is 'Splendid Skies'

Imagine floating high above land and sea on a bed of clouds, silently sweeping by on a billowing breeze.

Back down to earth, let's take a walk outdoors. But what should we wear? Wellington boots? A sun hat? Maybe a warm coat? How do we know what the weather will be like today?

Read and write poems and postcards, and, if you don't like today's weather report, why not write your own? Make a weather station to find out more about the weather in your area. What weather do you prefer? Sunshine, snow, storms or showers? Get your wellies on and let's go.

### Reading Books

Please keep to these days  
**Girls– Monday and Wednesday**  
**Boys– Tuesday and Thursday.**

Please could you ensure all items of clothing are clearly labelled.

Our Religious topics this term are;

- Holidays and holydays
- Being sorry
- Neighbours

As the summer term is here and the weather is improving (hopefully),

It is important to apply sun cream to your child before school as the school or pupil cannot apply it themselves.

### Homework

Homework will begin again soon and will be shared online. It will be accessible from a **Thursday** in HWB shared files and will need to be completed by a **Tuesday**.

If you have forgotten or have trouble accessing your child's HWB account please let me know so I can rectify this.

I am always happy to discuss any queries you may have.

**Many Thanks**  
**Mrs Torrance**
